PD Catalogue Description

Children's Books with Alana Starr – This session will explore how we can incorporate language and culture into the classroom through authentically authored children's literature.

Science of Reading with Alana Starr – This session will discuss some of the research related to the teaching of reading. It really is rocket science.

Sound Walls with Alana Starr – Participants will explore what a sound wall is and the importance of teaching the 44 speech sounds of the English language.

Digital Story Vines with Alana Starr – This session will explore the concept of a story vine and how we can create digital story vines with students.

Microsoft Teams with Jacinda Bigknife- This session will go over the basic functions of Microsoft Teams.

PowerSchool End Of Year Processes- For PowerSchool Administrators
