SUMMER READING CHALLENGE

Goal: Read 100 books this summer!

Each  represents 1 book. Every time you read a book, check off one sun. When you check all of the suns, that means you have read 100 books!

I read _____ books this summer!

My favourite book that I read is:

SUMMER READING

A Guide for Parents and
Caregivers

TIPS AND TRICKS TO MAKE SUMMER READING FUN

READ A BOOK ONLINE

Here are some great websites to read free books online:

THE SUMMER SLIDE...

Many research studies have found that students who do not read over the summer can lose as much as 22% of their reading level. That means 2 months of school down the drain!

You can help prevent this summer reading loss by encouraging your child to read over the summer. Try to read something everyday, whether it is a book, recipe, or a menu. Every word counts.

Here is to making this a summer of reading!
